Welcome

Welcome to the 2005 Governor's Volunteer Awards presentation and celebration.

Now in its 11th year under the direction of the Kentucky Commission on Community Volunteerism and Service, the awards program has offered Kentuckians a rare glimpse into the lives and achievements of people who serve without expectation of compensation, recognition or commendation.

It's been our distinct pleasure to provide a measure of recognition and commendation to just a fraction of the thousands whose volunteer service contributes immeasurably to a better Kentucky.

We're so glad you're here tonight to share this special occasion as we honor the latest Governor's Volunteer Awards recipients.

Schedule of Events

Welcome:

- Pat Hargadon, KCCVS Commission Chair

Opening Remarks:

- Marla Montell, Commissioner, Department for Human Support Services, Cabinet for Health and Family Services
- Mark D. Birdwhistell, Secretary, Cabinet for Health and Family Services
- The Honorable Ernie Fletcher, Governor of Kentucky

Award Presentation:

- Kenny Bishop, Master of Ceremonies, Governor's Office Staff

Traveling Award Recipient

Each year the KCCVS sponsors a food drive in observance of Make A Difference Day. As part of this observance, employees of the 16 community-based service regions of the Cabinet for Health and Family Services compete to collect the most food by Make A Difference Day on the fourth Saturday in October. The service region that emerges the winner is presented with a special Governor's Volunteer Award. The Traveling Award remains with the winning region for one year and travels to reside with each consecutive winning region.
